

CIDER

Riebeek Retail Brands has taken a leap forward with the introduction of a new, still Cape Table Cider range. This is the company's first non-wine product.

Complimenting the existing Cape Table Wine and Sangria ranges, the Ciders are packed in an all new 1 Liter

Elopak container.

The new packaging is targeting female consumers and the offering is enhanced by a new range of popular fruit flavours.

Add realistic selling prices to the mix and you have a winner!
